D. Leonardt & Co.

Corners & Accessories for Diaries  
Stationery Products & Leather Goods

D. Leonardt was founded in 1856 to make dip pen nibs. From the early days we have developed skills in the forming and finishing of metal products and have now become the world's leading manufacturer of metal corners.

#### Why use corners?

- They add value and increase profit margin.
- Metal corners enhance the appearance of a product.
- Help protect against wear and tear.

#### Why use Leonardt corners?

- Immediate availability.
- 2,000,000,000 corners supplied worldwide, to markets as diverse as Europe, USA and Pacific Rim.
- Price competitive - exceptional value.
- Engineered for auto assembly.
- Made in the UK.
- In-house polishing and plating.
- Gold plating.
- Also supplied in Nickel and a wide variety of finishes/colours.
- Durable finish.
- CAD/CAM & Prototype development facilities.
- ISO9001:2000 Registered

#### Who should use Leonardt corners?

Anyone involved in the manufacture or design of:

- Diaries/Agendas
- Luxury Leathergoods
- Small Leathergoods
- Wedding/Photograph Albums
- Menu Covers
- Pattern and Carpet books
- Binders
- Portfolios
- Stationery products
